

Autumn term overview Class 3 (Year 4)

Date: Autumn 2018

English

The Lion and the Unicorn

This is a story set in wartime about a boy whose father has given him a unicorn and a lion badge to remind him to be brave. The story explores the boy's experiences as an evacuee. We will use this to inspire our own narrative writing.

Information texts

The Victorians - writing our information text about the Victorians, using research in literacy and content from our topic lessons.

Poetry

Explore poetry linked to Childhood and The Victorians

Maths targets

Recognise value of 4 digit numbers and partition into ThHTU.

Use column addition and subtraction for 4 digit numbers

Learn by heart x6 and x8 multiplication and division facts

Use relationship between £ and p to order amounts.

Recognise hundredths and count up and down in hundredth.

Recognise and name different quadrilaterals. Name and recognise 3 types of triangle - isosceles, scalene, equilateral

Topic: Childhood through the Ages

Art:

In art children will be focus on:

William Morris - A Victorian artist, designer and writer.

Victorian homes (through painting)

Science:

In science we are looking at Animals and Humans

Children will:

- Investigate healthy eating and looking after ourselves
- Examine and be aware of different food groups
- Think about the human digestive system
- Investigate and find about how muscles work muscles in our bodies

History:

In History we are looking at the changes to Childhood through the ages.

We have begun by talking about Childhood in 2018 and plan to look at the Victorian Era

- The jobs of children in work
- Differences between rich and poor children
- Childhood toys in Victorian Britain

Then we will focus on WW2

- examining particularly the experiences of children as evacuees.
