Topic Show an interest in your child's learning.

This term's topic is 'Rivers.' We will be looking at rivers all over the world, learning the geographical features and language of rivers before considering how rivers have and still do affect how and where we live.

Spelling

The children have been shown different ways to practise spellings. Ask them to show you. We will be sending home spelling rules which the children will need to apply. A useful website for helping with the learning of spellings is Spellings Checker - <http://www.crickweb.co.uk/ks2literacy.html>
