3. Barriers to future attainment (for pupils eligible for PP, including high ability)	
<b>In-school barriers</b> ( <i>issues to be addressed in school, such as poor oral language skills</i> )	
<b>A.</b>	Oral language skills in Reception are lower on entry for pupils eligible for PP than for other pupils. This slows reading/ writing progress in subsequent years.
<b>B.</b>	Lower percentage of higher ability pupil premium children gained greater depth/ higher scaled scores at KS1 and KS2 compared to PP children nationally.
<b>C.</b>	PP children achieved lower than national results in reading. Their progress score was lower than their non-disadvantaged peers in school.
<b>D.</b>	Need to develop resilience skills/ growth mindset approaches to boost attainment across school for all groups of pupils including PP children.
<b>External barriers</b> ( <i>issues which also require action outside school, such as low attendance rates</i> )	
<b>E.</b>	Attendance rates for pupils eligible for PP are below non PP pupils and below school target of 96%. This reduces their school hours and causes them to fall behind on average.
<b>F.</b>	Consistent levels of parental engagement needed for all groups of pupils.

4. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
<b>A.</b>	Improved oral language skills for pupils eligible for PP in Reception class/ Year 1.	Pupils eligible for PP in Reception/ Year 1 make rapid progress by the end of the year so that all pupils eligible for PP meet age related expectations.
<b>B.</b>	Higher rates of progress across KS1 and KS2 for all groups of disadvantaged pupils including high attaining pupils eligible for PP.	Pupils eligible for PP identified as high ability make as much progress as 'other' pupils identified as high ability, across Key Stage 1 and 2 in

		maths, reading and writing. Measured in internal assessments and end of Key Stage statutory assessments. PP pupils from different starting points make comparable progress to their non-disadvantaged peers.
<b>C.</b>	Improved attainment in reading for pupils eligible for PP funding.	Attainment in reading for PP pupils is in line with national. Progress of PP children matches progress of non-PP children in school.
<b>D.</b>	Improved learning behaviours impact positively on attainment for all pupils, including disadvantaged.	Raised attainment for PP children across school measured in internal assessments and end of Key Stage statutory assessments
<b>E.</b>	Increased attendance rates for pupils eligible for PP.	Reduce the number of persistent absentees among pupils eligible for PP. Overall PP attendance improves to above school target 96%.
<b>F.</b>	Increased parental engagement for all groups of pupils, including disadvantaged children. Improved understanding of how to support children with their learning.	Attendance of parents of PP pupils at school events matches non-PP family attendances.
