A Small School with a Big Heart

Message from Mrs. Gray:

It is clear that children in Key Stage 1 are really enjoying their learning this half term. They are not only working hard in school but also at home, producing some fantastic pieces of homework around their topics. I was so impressed with the creativity displayed when I visited classrooms last week. Well done!

Here comes the sun!

We had our first glimpse of warm weather last week. Although cooler temperatures are forecast this week, hopefully they will rise again soon. Please can I ask that all children remember to bring a water bottle to school. In addition we request that pupils bring a hat to wear at playtimes and for outdoor activities on hot days. Ideally on such occasions a long-lasting sunscreen should be applied before school. Parents can provide suncream (bottles should be labelled with child's name and class) if it is necessary to reapply during the day. Staff will supervise but children are required to apply their own cream.

Lost Property – Please help!

Once again the lost property box is overflowing. In order to ensure that we can easily return any items of lost property to their owners please could you make sure that all clothing, including coats, are labelled with your child's name. Many thanks.
