A Small School with a Big Heart

Message from Mrs. Gray:

Well done to our Y6 children who took their KS2 SATs last week. We were all impressed with the fabulous attitudes they showed. They certainly enjoyed starting the day with toast and juice! Thank-you to Mr. Scott for his help in preparing this each day. Our Year 2 children are also working very hard. This week they will be completing the KS1 SATs. These are not conducted as formally as the Y6 tests and are used by teachers to support their teacher assessment judgements. We know they will all try their best. Well done Year 2!

Lost Property

A few parents have spoken to me recently about missing items of clothing. The Lost Property box has been checked but we have been unable to locate the misplaced clothes. Please could I ask that you check the labels of your child's clothing – particularly cardigans, jumpers and coats which the pupils have a habit of taking off outside and then forgetting to collect – to make sure that they haven't brought home items belonging to someone else by mistake. Many thanks.

Reminder – warm weather

We have enjoyed some lovely weather again this weekend. Hopefully it will continue! Please can all children remember to bring a water bottle to school. In addition we request that pupils bring a hat to wear at playtimes and for outdoor activities on hot days. Ideally on such occasions a long-lasting sunscreen should be applied before school. Parents can provide suncream (bottles should be labelled with child's name and class) if it is necessary to reapply during the day. Staff will supervise but children are required to apply their own cream.

Sports Day:

This year's Sports Day will be held on Tuesday 19th June. We are planning a full day of sports with a carousel of sporting activities in the morning and the usual traditional style races in the afternoon. Parents are welcome to attend the afternoon event. More details to follow.
