A Small School with a Big Heart

Message from Mrs. Gray:

I enjoyed visiting classrooms last week and seeing how hard the children are working at their learning. We were focussing on our building learning power character, Co-operative Chameleon, in assemblies and I certainly saw lots of fantastic examples of pupils working together to support each other. In Class 5 pupils were learning about hyphens. Parents, see if they can explain why I have used a hyphen in this paragraph!

Reminder - School photographs

This Wednesday, the photographer will be in school in the morning to take individual photographs and photographs of sibling groups. If you would like a family photograph involving pre-school children, please come to school for 8:30am so that they can be taken before the start of the school day.

Parents' Evenings

We are holding our first parents' evenings of the school year on Tuesday 23rd October and Wednesday 24th October (4:00-6:00pm). Letters will be sent out at the end of this week with details of how you can book appointments. Keep checking book bags!

Parking

We have had some complaints from local residents about parking around school. Please can we request that you park only in public places and ensure that driveways are not blocked. Many thanks for your co-operation.
